2. Roles and responsibilities

2.1. Role and responsibilities of the Board

The Board is ultimately responsible for ensuring the creation and protection of shareholder value. The Board also has responsibility for providing good governance, sound leadership and strategic guidance, and effective oversight of management's performance.

The Company's Board Charter identifies the responsibilities and functions which are reserved to the Board or its Committees. Matters which are specifically reserved for the Board or its Committees include:

- providing leadership and setting the strategic direction of the Company;
- reviewing the Company's strategic environment, identifying key risks and opportunities and assessing how they are managed;
- the appointment and removal of the Chief Executive Officer and other senior executives;
- approval of significant changes to the organisational structure;
- approval of major capital expenditure, acquisitions and divestitures in excess of authority levels delegated to management;
- approving the remuneration framework;
- setting the risk appetite within which the Board expects management to operate; and
- monitoring the effectiveness of the Company's governance policies.

Further details of the roles and responsibilities of the Chair, the Board and senior management can be found in the Board Charter which is available on the Company's website.

Details of the current directors, their qualifications, skills and experience and their attendance at Board and Committee meetings during the year, are set out in the 2023 Annual Report.

2.2. Role and responsibilities of management

Chief Executive Officer

The Chief Executive Officer (**CEO**) is appointed (and, when necessary, replaced) by the Board.

The Board has delegated authority to the CEO for the day-to-day operations and administration of the Company in accordance with the strategy, policies and plans approved by the Board.

Company Secretary

The Board appointed Ms Lisa Jones the Company Secretary on 1 September 2022 following the resignation of Ms Suzanne Sanossian. Ms Jones' qualifications and experience are set out in the directors' report on page 16 of the 2023 Annual Report.

The Company Secretary reports directly to the Board through the Chair, and all directors will have access to the Company Secretary for all Board and governance related issues.

3. Structure of the Board

3.1. Board composition

The Board currently has five directors comprising four non-executive director and one executive director. The Board is of the view that the current directors possess an appropriate mix of skills, commitment, experience, expertise and diversity to discharge its duties effectively.

The current directors and their respective appointment dates are set out below. Details of each director's qualifications and experience are set out on pages 14-15 of the Company's 2023 Annual Report.

Non-executive directors	Date of appointment
Deanne Weir (Chair)	21 October 2010
John Martin	21 October 2010
Alison Loat	28 March 2018
Cheryl Hayman	14 March 2022
Executive director	Date of appointment
Tony Abrahams	5 October 2006

The composition of the Board is reviewed regularly.

3.2. The Chair

The responsibilities of the Chair are set out in the Board Charter.

Deanne Weir is the present serving Chair. Ms Weir is a non-independent non-executive director and is a highly experienced Chair with significant listed company experience. The Board considers Ms Weir's depth of experience and knowledge of

the Company and the industry is highly valuable to the role of the Chair. Further information on Ms Weir is set out on page 14 of the Company's 2023 Annual Report.

3.3. Director independence and tenure

The Board considers an independent director to be a non-executive director who is not a member of the Company's management and who is free from any business or other relationship that could materially interfere with, or reasonably be perceived to materially interfere with, the independent exercise of the person's judgement. The Board requires all directors, whether independent or not, to bring an independent judgement to bear on all Board decisions.

A majority of the Company's Board is comprised of independent directors, and the Board has adopted guidelines which are set out in the Board Charter to assist in assessing the independence of directors consistent with the ASX Principles and Recommendations.

Currently, three directors are considered by the Board to be independent non-executive directors, namely John Martin, Alison Loat and Cheryl Hayman. Deanne Weir (Chair of the Board) is not considered independent as she is a substantial shareholder of the Company. Tony Abrahams as the Company's CEO is an executive director and therefore not considered to be independent.

The Board regularly reviews the independence of each non-executive director by considering information relevant to this assessment (as disclosed by each non-executive director to the Board).

The Board will continue to review the combined expertise of the directors in considering if additional director(s) should be appointed.

The Board does not believe that it should establish an arbitrary limit on tenure. While tenure limits can help to ensure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Company and its operation and, therefore, an increasing contribution to the Board as a whole. Accordingly, tenure is just one of the factors that the Board takes into account when assessing the independence and ongoing contribution of a director in the context of the overall Board process. The longest serving director of Ai-Media is Tony Abrahams who has been a director for 17 years (since 5 October 2006).

3.4. Board Committees

The Board has established the following Committees to assist it in discharging its functions:

- Audit and Risk Committee; and
- Remuneration and Nomination Committee.

All directors of the Company have a standing invitation to attend Committee meetings where there is no conflict of interest. The Committees review matters on behalf of the Board and (subject to the terms of the relevant Committee charter):

- refer matters to the Board for decision, with a recommendation from the Committee (where the Committee acts in an advisory capacity); or
- determine matters (where the Committee acts with delegated authority) which it then reports to the Board.

A summary of the roles and responsibilities of each Committee are set out below and full details are contained in the respective Committee charters available on the Company's website.

Details of meeting attendance for members of each Committee are set out in the directors' report on page 16 of the Company's 2023 Annual Report.

Audit and Risk Committee

The purpose of the Audit and Risk Committee is to assist the directors in fulfilling statutory, corporate governance and oversight responsibilities by:

Directors available for re-election at a general meeting are reviewed by the Remuneration and Nomination Committee after consultation with the Board.

The letter also addresses non-executive directors' indemnity and insurance arrangements, ongoing rights to access Company information and confidentiality obligations that apply on an ongoing basis.
